

CSIO Toronto Office is Moving

PRESS RELEASE

FOR IMMEDIATE RELEASE

Centre for Study of Insurance Operations (CSIO) announces the relocation of their Toronto Office.

Toronto, Tuesday, August 13, 2002 – The CSIO Board of Directors and the President of CSIO, Mr. Klaas Westera wish to announce the relocation of their Toronto office. CSIO is expected to move into its' new location at 110 Yonge Street, Suite 500 by early September 2002. CSIO's telephone numbers will remain unchanged.

Elaborating on the move, Westera stated that "Our new premises will be ideal for our changing circumstances. They are conveniently located for our members and are still close enough to the Insurance Bureau of Canada so that we can continue to take advantage of shared internal services with them. The new offices also provide us with some badly needed new space required to support CSIONet and the imminent rollout and support of the CSIO Insurance Portal."

The Centre for Study of Insurance Operations (CSIO) is a national organization, supported and funded by committed broker insurance companies and the broker community through the Insurance Brokers Association of Canada (IBAC). Its mission is to assume a leadership role in facilitating the continuous improvement in efficiency and effectiveness of the delivery of insurance and complementary products and services to the consumer. CSIO is responsible for the development and maintenance of Canadian industry standards in forms, EDI, XML and Web screens.
